### The Olympus AS-7000

#### Perfect companion to the Olympus DS-7000 Professional Digital Dictation Recorder!

Also can be used with previous-generation Olympus recorders (DS-4000, DS-5000, DS-3300, DS-3400, DS-2400) or the DS-2500.

The Olympus AS-7000 Transcription Kit provides a complete, robust business solution, when used in conjunction with the Olympus AS-7000 or DS-3500 Professional Digital Dictation Recorders (or previous recorders, such as the Olympus DS-5000 and DS-3400/2400).

With its new ergonomically improved four-pedal foot control, latest-generation Olympus Dictation Management System (ODMS) software, and improved Olympus E-62 headset, the AS-7000 integrates smoothly into the workflow to improve daily workflow significantly for medical, legal, or business offices and individuals.
