

HTH Engineering, Inc. Presents....

Start Stop Network Pro Upgrade

Toll-Free Order Line: (USA 48 States) (866) 254-0714 FAX: (810) 821-6940 <http://www.StartStop.com>

AUTOMATICALLY SHARE WORK AMONG MULTIPLE TRANSCRIBERS

Instantly upgrade Start Stop Universal Transcription System to allow worksharing of Job Manager Status. Each transcriber can check out a job, and all other Job Managers in the office will show that the file is being transcribed and by whom. The transcriber who completes the job can mark it DONE, and all others can see its status as well.

MAKES WORK-SHARING A SNAP!

Job: SMIT0018_930200835821PM_Lab Work.DSS

File Selected= L:\Dictation\Dr. Smith\Folder A\SMIT0018_930200835821PM_Lab Work.DSS

HTH Engineering, Inc. Presents....

Start Stop Network Pro Upgrade

Toll-Free Order Line: (USA 48 States) (866) 254-0714 FAX: (810) 821-6940 <http://www.StartStop.com>

Add Network Pro Upgrade to your Start Stop Universal Transcription System, which already includes these great features:

- Easily Organize multiple files in the **Ultra Job Manager**. With a single keystroke you can select different jobs or play them through with no need to disrupt your transcription.
- Ultra Play Technology** enhances sound clarity. Transcribe 10 or even 20 hour-long recordings with adjustable playback speed.

- Send and receive digital transcription over the internet with **Start Stop's built-in FTP client**
- Variable Speed Control** to adjust play speed from 50% to 300% of the original speed for faster, more accurate transcription
- Convert non-standard audio formats into standard .WAV, .MP3, or True Speech™ .WAV

Features Include:

- | | |
|------------------------|--------------------|
| Variable Speed Control | Recording |
| FTP | Conversion |
| Auto Play | Smart Line Counter |
| Bookmarks | Network Support |
| Time Stamping | Hot Keys and More! |
