# Olympus AS-5000 Transcription Kit

© 2008 All Rights Reserved – HTH Engineering, Inc. Tarpon Springs, FL 34688 TEL: (727) 939-8853 <http://www.StartStop.com>

The AS-5000 combines with any professional digital voice recorder from Olympus to provide a complete, end-to-end business solution.

This powerful transcription kit will allow for playback of the **DSS Pro** (.ds2 format) files produced by the new DS-5000 and DS-5000iD digital voice recorders.

Complete with footswitch, headset, and powerful software, the AS-5000 can easily be integrated into the workflow of any office system and significantly streamline data sharing and distribution of dictations between professionals, departments, and office locations. Special E-mail and FTP functions enable dictation files to be automatically routed to predetermined locations or addresses upon downloading.
