# Dragon Medical Practice Edition 2.3

© 2009-2017 All Rights Reserved – HTH Engineering, Inc. Tarpon Springs, FL 34688 TEL: (727) 939-8853 <http://www.StartStop.com>

### **New! Dragon Medical Practice Edition 2.3** **More Profitable Care, Faster, more Accurate Speech Recognition!**

Dictate directly into your EMR/EHR or computer up to 160 words per minute, with up to 99% accuracy! Dictate quickly and naturally as you always have, speaking any pharmaceutical, anatomical, medical term or even proper names, and Dragon Medical Practice Edition 2.3 types it accurately. **With 90 medical specialty vocabularies, support for multiple regional accents, integration with virtually all EMR/EHRs and with compatibility with Windows XP®-through Windows 10®, you'll never miss tedious typing on a keyboard again!**

**Dictate in your own words and get higher reimbursement levels, save a *minimum* of 30 minutes of time per day, while saving 500-\$1000 per month in transcription costs!**

Dragon Medical Practice Edition 2.3 speech recognition technology has been tested and is trusted by over 180,000 clinicians in healthcare clinics, practices, and hospitals around the world.
